

THE 16th PACIFIC RIM CONFERENCE ON LASERS AND ELECTRO-OPTICS

# CLEO Pacific Rim 2024

August 4 ~9, 2024

Songdo Convensia, Incheon, Korea

## Welcome Message

We are thrilled to announce that the 16th Pacific Rim Conference on Lasers and Electro-Optics (CLEO-PR 2024) will be held as in-person-only meeting from August 4 to 9, 2024, at the Songdo Convensia in Incheon, Korea. The CLEO Pacific Rim has provided researchers and professionals around the world in the fields of optics and photonics with unparalleled opportunities to explore the latest advancements in technology and review principles ranging from laser physics to engineering applications.

Building on the tremendous success of past conferences, including the ones held in Seoul in 1999 and 2007 as well as in Busan in 2015, the organizing committee of the CLEO-PR 2024 is delighted to bring this conference back to Korea. We are extremely pleased to host this conference in Incheon, a vibrant city known for the technological advances and rich cultural heritage.

By attending CLEO-PR 2024, you will have the opportunity to engage with leading experts, exchange knowledge, and foster collaborations. Whether you are an academic researcher, an industry professional, or a curious student, this conference promises to offer a diverse program that caters to your interests and ambitions.

Come and join us in Incheon to experience the state-of-the art of laser and electro-optics research, immerse yourself in stimulating discussions, and explore the unique charm of Incheon. We look forward to welcoming you to CLEO-PR 2024 and hope that you will enjoy all that Incheon has to offer!

**Donghyun Kim**

Conference Chair  
Yonsei University  
Optical Society of Korea

**Fabian Rotermund**

Conference Chair  
KAIST  
Optical Society of Korea

## CLEO-PR 2024 Website is Open!

To provide you with more information about CLEO-PR 2024, we have opened an official website where you can access Committee Information as well as details about Topics and Venue. Other information like Program, Abstract & Summary Submission, and Registration will be updated progressively. Please visit the website to find out latest news.

The more information on CLEO-PR 2024 will be updated soon!

## The Most International City of Korea, Incheon!

Incheon is a bustling metropolis that seamlessly combines history, culture, and modernity. Incheon has emerged as an essential hub for international trade, commerce, and tourism. Boasting a rich heritage and a progressive urban landscape, Incheon offers visitors a captivating blend of traditional charm and contemporary allure.

One of the city's iconic landmarks is Songdo Convensia. Songdo Convensia is Incheon's representative convention center, and its unique exterior is said to be based on the Taebaek Mountains. Various international conferences, exhibitions and mega events are held here throughout the year. The Smart Mice Lounge provides unique pleasure to tourists by offering smart content experiences in various ways such as VR/AR, media wall and hologram.

In addition, we hope you have a wonderful time exploring Incheon's beautiful places such as Songdo Tri-bowl, Incheon Urban History Museum, Songdo Canal Walk, and Songdo Central Park. We look forward to welcoming you in Incheon.
